## National Peace Officer Week

*Walla Walla Valley is a wonderful place with fabulous people living here!!! We raised over \$250 for the Fallen Officer Fund held here at the Sheriff's Foundation. Donation boxes were located around town during the week of May 15<sup>th</sup>, thank you to all who made a donation! A BIG thank you to Andrea's Kitchen, Hot Mama's Espresso, Red Monkey, Stone Hut, Tommy's Dutch Lunch, Walla Walla Roastery and Walt's Place for your contributions!*

## National Night Out

This was the Foundation's second time participating in this fun event on August 1st, what a great time! The parade was so much fun, thanks to all who waved at us. ☺

Thanks to all who stopped by our booth to see us, we will defiantly see you again at the park next year.

## From the Sheriff

*Serving as your Sheriff for the last 8 years has been one of the great honors of my life. I retire on a high note knowing that your Sheriff's Office is better trained, better equipped, and more professional than ever before. Much of this success is directly due to the many individuals who have served as board members and volunteers of the Walla Walla Sheriff's Foundation. This Foundation was created in 2011 as a non-profit, non-political, support organization for the men and women of the WWSO. Together, to date, our community is better served due to contributions directly made by the Foundation; contributions such as smart phones for every deputy, protective hearing equipment for SWAT and other mission-critical gear, our DARE program, and of course the re-establishment of our wonderful K-9 program – all with 100% citizen donated and community grant funded dollars because of the Foundation. My most sincere thank you to all past and present Sheriff's Foundation members and to all of you for your ongoing support of the WWSO.*

## Walla Walla County Fair

So many hours go into providing safety at the fair every year. We were able to help provide lunches and dinners for all those who help keep our fair safe. A great shout out to ALL who helped cook those meals.

## Active Shooter Kits

*Each patrol deputy has receives a set of rifle plates and a carrier for first-responder active shooter situations. These kits will be worn when responding to high risk calls and were only obtainable due to the generous Wildhorse Foundation and the NAIFA-Blue Mountain Chapter, totaling nearly \$15,000. These plates will protect against rifle rounds and the carriers also have first-aid medical kits and pouches for back-up magazines.*

## Spring Social @ Charles Smith
